

Jr. Collegiate Supply List

2022-23

Notebook Requirements:

JRC students will use a notebook system for the purpose of organization. Students may choose any of the following options based on personal preference. In the past, most students have found it easier to use a separate notebook per subject or to combine 2-3 subjects in one larger notebook. While the 5 in. binder is an option, most families found this too cumbersome and difficult to maintain.

1) Binder Options:

- One 3 ring binder per subject
- Two 3 ring binders, each holding 3 subjects (2 inch minimum)
- One 5 in. binder holding all subjects

2) Dividers:

- Four dividers with tabs are needed for every subject
- English uses five dividers with tabs

3) Clear sheet protectors

4) 3 holed pocket folders – one for each subject

5) Pencil Pouch (travels with the student to each class, so it may be beneficial to include one per binder depending on binder choice)

Other Supplies:

- Assignment Pad/calendar – to include a month at a glance and a week at a glance option with daily entrees
- Pens – Blue, black, red
- Pencils/erasers
- Ruler with metrics – metal or plastic, not bendable
- 4x6 index cards
- 3x5 index cards spiral bound
